

CSE 441/541 Mid-Semester Course Evaluation

What is the most important thing you have learned in this course so far?

What is the least important thing you have learned?

Is the pace of classroom activity too fast/too slow/about right? Was the in-class studio session helpful?

Have you attended the studio sessions? If so, did you find them useful?

How many hours a week, on average, do you spend on assignments for this class?

Are the practice problems and handouts useful for your understanding and/or completing the homework?

Have you had adequate access to the course instructor? To the TA?

What one thing would you most like to change about this course?
